

LACTALIS-MAINLAND DAIRY
STANDARD TERMS OF PURCHASE
SAUDI ARABIA
Effective 1 April 2026

1. WHEN THESE TERMS APPLY

1.1 We will buy from you, and you will sell to us Goods and/or Services on these terms and conditions (**Terms**). These Terms apply to every sale and purchase between you and us.

1.2 These Terms supersede and exclude all prior or subsequent discussions, representations, terms or conditions of trade, all prior written or oral agreements and understandings between you and us, and any other terms and conditions that you seek to apply to the supply of Goods and/or Services to us, whether by way of incorporation into your quotation, proposal, standard terms or otherwise.

2. GOODS & SERVICES

2.1 We buy the Goods and/or Services on a non-exclusive basis, and we do not warrant or represent that we will buy any minimum quantities.

2.2 We are only committed to buy and pay for Goods and/or Services when we accept your offer to supply in writing, including by sending you a Purchase Order.

2.3 We may, by written notice to you, request changes to the Goods and/or Services. If the change we request materially affects the agreed Price, Specifications or KPI, you and we must seek to agree a reasonable adjustment to the Price prior to the change taking effect. If you and we cannot agree to the requested change, either you or we may give the other at least three months' notice to terminate these Terms.

2.4 You must supply Goods and/or Services that meet the Specifications and the KPI, and we must accept and pay for the Goods and/or Services we have ordered if they meet the Specifications and KPI and you have complied with these Terms.

2.5 When supplying the Goods and/or Services and complying with your obligations under these Terms, you must at a minimum, exercise the degree of care, skill, diligence and foresight which would reasonably and ordinarily be expected from a skilled and experienced contractor engaged in the same type of undertaking under the same or similar circumstances and being a contractor who is familiar with and experienced in practices which are

generally recognised internationally as being applicable to such an undertaking.

2.6 You must comply and must ensure that the Goods and/or Services comply with all applicable law (including applicable sharia' law), regulations, halal requirements, codes, standards, any of our applicable Policies and any other reasonable standards or requirements communicated to you from time to time and you must provide all relevant documentation reasonably required by us to meet legal requirements or otherwise.

2.7 You must comply with our reasonable directions in supplying the Goods and/or Services, including any of our site access and security requirements, safety requirements and law.

2.8 You must not subcontract any part of your obligations under these Terms without our prior written consent. If you subcontract, you must ensure that the subcontractor complies with these Terms as if they were you, and you remain liable to us for the subcontractor's acts and omissions as if they were your own.

2.9 You must work with us in good faith to reduce all costs relating to the supply of the Goods and/or Services to the extent reasonably possible. Any cost savings will see a proportionate reduction in the Price under these Terms.

2.10 You must hold and maintain insurance cover with a reputable insurer on such terms as we specify, or if we do not, then insurance on such terms that a prudent experienced contractor engaged in the same type of undertaking under the same or similar circumstances would hold and maintain. You must provide us with reasonably satisfactory evidence of the currency of that insurance on request, and inform us if your insurance is withdrawn, ceases, changes or has been exhausted by claims.

2.11 We have the right, acting reasonably, to approve or reject the equipment, plant, factory or other premises used by you in connection with the manufacture of the Goods.

3. DELIVERY

3.1 You must deliver the Goods and/or Services in accordance with the delivery

- 3.2 Dates or timeframes stated in writing for delivery are of the essence. Without limiting any of our other rights and remedies, we may charge you reasonable and properly incurred storage and transportation expenses if you fail to deliver Goods and/or Services at the times stated. You must indemnify us against any loss, damage, injury, penalties, and expenses (including legal expenses) arising from such delay.
- 3.3 If you make part, or fail to make, delivery of the total quantities of Goods as stated on the Purchase Order, we may cancel the entire order at no cost to us and we may return any part delivered Goods to you at your cost.
- 3.4 We may vary the delivery time and/or the delivery address at any time prior to Delivery by providing you with reasonable notice of those changes, provided the variation does not materially increase your cost of supplying the Goods and/or Services. If it does materially increase your cost, then you and we must seek to agree a reasonable adjustment to the Price prior to the change taking effect. If you and we cannot agree to the requested change, either you or we may give the other at least 3 months' notice to terminate these Terms.
- 3.5 We may carry out any reasonable acceptance tests of any Goods and/or Services or any part thereof. If any Goods and/or Services fail any acceptance test you must at your cost immediately remedy any issue identified, such that the Goods and/or Services pass that acceptance test. We may require you to replace at your cost or provide us with a refund for Goods and/or Services that fail any acceptance test. You must assist us with testing as requested.
- 3.6 If the Purchase Order requires installation or other Services, those services must be completed by the date set out in the Purchase Order, or if not specified, in accordance with best practice and with minimum disruption to us.
- 4. PRICE AND TAXES**
- 4.1 The Price is as stated in the Purchase Order (unless otherwise agreed in writing) and is the only amount we must pay.
- 4.2 All prices and amounts we must pay are inclusive of all duties, fees, imposts, levies and taxes, including VAT and any other Sales Tax.
- 5. INVOICING AND PAYMENT**
- 5.1 Unless otherwise required by law, we must pay for any Goods and/or Services delivered in accordance with these Terms on the first business day two months from the first day of the month following the date of your invoice. The invoice must be received by us by the 15th day of the month following supply of the Goods or Services to which the invoice relates. Invoices must refer to the relevant Purchase Order number and VAT registration number and be sent to the address specified on the Purchase Order.
- 5.2 If we dispute the invoice, we will notify you in writing, and we are not required to make payment of the disputed invoice, until the dispute has been resolved. You must issue a new invoice for the undisputed amount, which we will pay in accordance with 5.1.
- 5.3 If you owe us money in connection with these Terms and we owe you any money, we may set off the amount you owe us against the amount that we owe you and pay you the resulting net amount or seek payment from you of the net amount, as appropriate.
- 6. RISK AND TITLE**
- 6.1 Title in all Goods (including any goods supplied in connection with Services) passes to us on Delivery, or when we make payment, whichever is the earlier.
- 6.2 Risk in the Goods and/or Services remains with you until Delivery (in respect of Goods) or completion of the Services (in respect of Services) or our acceptance, whichever is the later.
- 6.3 The receipt or signing of a delivery order by our staff, officers, contractors or agents is not acceptance of either the quality or quantity of the Goods and/or Services.
- 6.4 Our acceptance of any Goods and/or Services is subject to our inspection and subsequent use of the Goods and/or Services.
- 7. YOUR WARRANTIES**
- 7.1 You warrant and must ensure that you hold all necessary consents, permits and

- 7.3 The warranties in this clause 7 are additional to any other warranties given by you or implied by custom or law, whether statutory or otherwise. You must pass on to us the benefit of any warranty relating to the Goods and/or Services received from any other person such that we have recourse against those persons either directly, or through you.
- 7.4 You must promptly remedy each warranty claim to our reasonable satisfaction. Warranties start again for the full period on completion of remedying each defect. Without limitation to any other provision of these terms, if any defect which is a breach of a warranty results in us not receiving the expected performance or value from the Goods and/or Services then you must at your own cost promptly replace the Goods and/or Services, with a full warranty, if requested by us.
- 8. INDEMNITIES**
- 8.1 You indemnify us, and must keep us indemnified, against all Claims and Losses and Consequential Loss made against us or incurred by us to the extent caused or contributed to by you or any of your officers, employees, agents, representatives or contractors in connection with:
- (a) a breach of applicable law or regulatory requirements, including those related to food safety and labelling;

 - (b) any fraud, negligent act or omission or breach of duty; and
 - (c) a breach of an obligation of confidentiality.
- 8.3 The indemnities in 8.1 and 8.2 are continuing indemnities and are in addition to any rights or remedies you or we may have or may exercise against the other.
- 9. LIMITATION OF LIABILITY**
- 9.1 Except as otherwise agreed in writing, neither you nor we are liable for any Consequential Loss.
- 9.2 Except as otherwise agreed in writing, but subject to any statutory law that cannot be excluded, our maximum total liability to you is limited to the Price payable in respect of the relevant Purchase Order.

- 13.3 If the dispute is still not resolved after senior-executive discussions, then either party may take such further legal action it deems necessary.
- 13.4 Nothing in this clause 13 prevents you or us from seeking urgent injunctive or other interlocutory relief from a court where necessary to protect your or our rights.

14. CONFIDENTIALITY & INTELLECTUAL PROPERTY

- 14.1 You and we must keep all confidential information given by the other secure and confidential, and use it only as needed to perform the obligations under these Terms.
- 14.2 Neither you nor we may disclose confidential information given by the other to anyone unless both you and we agree in writing, or the disclosure is required by statutory law, or a binding order of a court or tribunal with appropriate jurisdiction.
